I/we understand that if I/we suffer a loss arising from an event protected under these offerings, the protection product package that could keep my/our loan payments current and protect collateral will **NOT** be in effect. I/we further understand that it will be my/our responsibility to keep loan payments current and protect the collateral.

I/we also understand that:

- Termination of debt protection must be done in writing at least 5 business days prior to the effective cancellation date.
- Fees previously charged for debt protection may be refunded if the debt protection enrollment is cancelled within the first 30 days of purchasing debt protection.
- Cancelling debt protection enrollment will not reduce the scheduled monthly payment, but the payoff schedule of the loan may be accelerated.
- Once debt protection enrollment has been cancelled, it may not be reinstated on the same loan.

Every Borrower, Co-Signer, and Guarantor must sign this Cancellation of Debt Protection or it may not be processed.
